1 3/4 X .250								3408	3409	3410	
2 X .250											3511

NOTES:

ALL part numbers above are also available with Left Hand Thread. For ordering, add "L" at the end of part number.

Part numbers 2908L & 2708L are also available with hex end. Add "-H" to end of part number. Example: 2908L-H

All tube ends are made from 4130 alloy steel.

Left handed threaded parts have a distinctive mark around the outside diameter.

Tube Ends must be welded in place by a skilled welder, using good welding techniques.

F.K. Bearing makes no warranties, expressed or implied, as the suitability of our Tube Ends for any application.
